

Cookie Policy

What are cookies?

Cookies are small text files that websites stores on your computer or mobile device when you visit the site. These text files can be read by the websites you visit and help identify you when you open the website again. These text files can be "permanent" or "temporary". Permanent cookies remain on your computer even when you turn off the browser (go offline), while temporary cookies are deleted when you close the internet browser. Cookies are used for several purposes, such as to remember your activities and preferences (inclusions, language preferences, font size or how the page is displayed to you), to provide personalized/customized content on the website and to display the navigation history thereof.

Why do we use cookies?

We use cookies on this website for the following reasons:

For technical functioning of the website:

- for the collection of aggregate and anonymous statistical data;
- to remember your preferences about how the page is displayed (display settings preferences), such as color contrast or font size;
- to remember, whether you agree (or not) with our use of cookies on this website.

When you visit our website, we may collect some data from your search, such as your IP address, which content of NOMAGAS JSC Skopje website you visited, when you visited it and which website you were redirected from. When you visit our website we use the third-party service Google Analytics to collect standard information about access and details about visitor behavior, but in a way that does not allow anyone to be identified, nor is it possible for Google to reveal the identity of those who visited our website.

What type of cookies do we use?

We use persistent cookies that remember the search/session when the user quits the browser in order to maintain the user's state.

Can you delete or control the cookies?

Information related to cookies is not used for your personal identification.

Accepting these cookies is not necessary for the website to work, but they would provide you with a better browsing experience. If you want, you can delete or block these cookies, but if you do, some features of this website may not work properly. You can delete all cookies that are already on your computer and you can set most browsers to prevent them. If you do this, you may need to manually

adjust your preferences each time you visit a website, and some services and functionality may also not work.
